### ❖ How do I enter Bolling AFB?

**IMPORTANT UPDATE: As of Oct. 1, 2010, the policy on vehicle decals will change at Bolling Air Force Base! If your vehicle does not have decals, and you are participating in this event, you will need to provide proper identification with your name to security forces. They will check this with the registration list. Once verified, you will then be able to proceed.**

**If you would like to obtain decals, visit the Bolling AFB visitor's center at the South Gate. Be sure to take proper identification for access to the base, driver's license, valid registration and proof of insurance. For more information on how to obtain vehicle decals, call the visitor's center at 202-767-8958.**

To access Bolling AFB, use the South (Visitor's) Gate, exit 1 from 295, or the Main Gate at Malcolm X Avenue, exit 2 from 295. Those with military ID cards and those with blue or green IC badges will have access to the base by showing their identification to the Security Forces as they enter the gate. Due to random inspections, be sure to have up to date insurance and registration paperwork in your vehicle.

For those without the listed identification should e-mail their first and last name, date of birth, and social security number or driver's license with expiration date to [IVMG@nro.mil](mailto:IVMG@nro.mil) or [IVMG@nro.ic.gov](mailto:IVMG@nro.ic.gov). Once information is received, a confirmation e-mail will be returned.
